

Tap into the restaurant through
NFC tag or QR code!

Create and manage
your profile and view your order history!

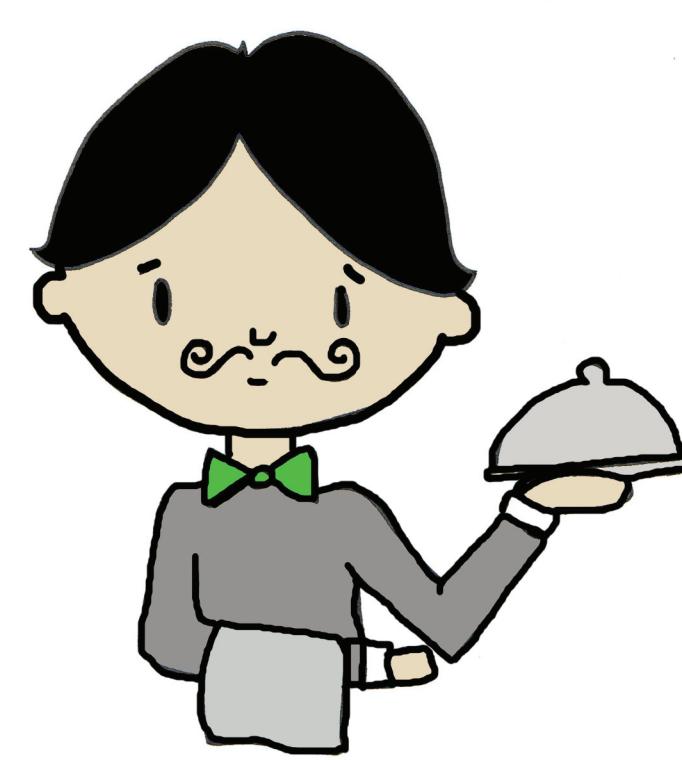

Order your meals and customize
your order straight from the TFF app.

View suggestions based on your
tastes, or see what the
community has to say!

If you need more help,
you can use the app to call for a waiter.

Never have to worry about splitting the bill again.
TFF will do it for you!

Leave your review
to improve future experiences!
